Minutes of the meeting

Minutes of 17th meeting of IQAC held on 05/08/2022, at 2 pm in Principal office of JDIET.

Following members were present:

1. Dr. Ramchandra S. Tatwawadi- Chairperson & Principal
2. Dr. D. N. Choudhari, Professor & Head (CSE)
3. Dr. R. U. Sambhe, Professor (Mechanical Engineering) & Coordinator (QA and Innovation Cell)
4. Dr. V. R. Gandhewar, Associate Professor & First Year Incharge
5. Dr. G. S. Kakad, Associate Professor & HOD (Textile Engg.)
6. Dr. P. M. Pandit, Associate Professor & HOD (Electrical Engg.)
7. Dr. U. V. Kongre, Associate Professor & HOD (Mechanical Engg.)
8. Dr. A. P. Pardey, Assistant Professor & HOD (Chemical Engg.)
9. Prof. U. W. Kaware, Assistant Professor & HOD (Elect & Tele. Engg.)
10. Prof. Mrs. R. N. Pantawane Assistant Professor & HOD, Civil Engg.
11. Ms. Sadaf Paikar Riyaz Ahmad Khan (Student)
12. Mr. Pankaj Rathi, Manager (Quality Assurance), Raymond's UCO Denim Pvt. Ltd. Yavatmal
13. Dr. S. V. Bhalerao, Associate Professor & Coordinator of IQAC

Minutes of Meeting dated 05/08/2022

Agenda 1: Approval of minutes of Internal Quality Assurance Cell meeting held on 05/04/2022 and action taken report.

Resolution: Resolved that the IQAC unanimously approved the minutes of 16th meeting held on 05/04/2022.

Agenda 2: Preparation for NABL accreditation for creating authorized testing facility and generating consultancy in the Institute.

Resolution:

Dr. R. S. Tatwawadi, Principal of JDIET, focus on preparation and arranging trainings of employees for NABL accreditation process for creating authorized testing facility in Reinforced Cement Concrete Laboratory of the Civil Engineering Department. He is also suggested to plan for other the laboratories in apply for NABL accreditation.

Agenda 3: Planning for Value Added Certification Programmes / Courses for Students and Faculty's

Resolution:

Dr. S.V. Bhalerao, R & D Coordinator of JDIET, emphasis on the Integration of sustainable practices for attainment of academic excellence through value added programmes. He has suggested the Value Added Courses for Students and Faculty's should be planned in campus to supplements students learning and enhances their preparedness to meet the challenges of professional life. A multi-disciplinary and application oriented focus is expected to make the student industry ready is at the core of the development and delivery of the value added courses.

Agenda 4: Organization of Entrepreneurship Development Programmes and Involvement of Institute in Exhibitions in collaboration with Ministry of MSME

Dr. R. U. Sambhe, Coordinator (Quality Assurance and Incubation Cell) of JDIET, focus on importance of entrepreneurship awareness program for the students. As Entrepreneurship programs teaches students basic life skills like problem-solving, innovative thinking, teamwork, etc. These programs also cater to enhance skills that adhere to contemporary situations.

He also suggested involving our Institute as a Co-Organizer in Exhibitions organized by Government organization like Ministry of MSME, so that Students Volunteers can get healthy boost to self-confidence, self-esteem, and life satisfaction. Student volunteer can also give you a sense of pride and identity and staff also get chance to meet different kinds of people in society and to expand Leadership qualities of event management, gain overall network of mentors, peers and others.

Agenda 2: Organization of Various Online workshops in collaboration with Sant Gadge Baba Amravati University

Dr. R. S. Tatwawadi, Principal, JDIET, suggested organizing workshops on recent trends in engineering by various departments in collaboration with Department of Lifelong Learning and Extension, Sant Gadge Baba Amravati University. Latest topics should be included in these workshops like IOT applications, CAD for various discipline & other emerging trends. This workshop's may help students to improve their awareness regarding the recent trends in science and technology in respective discipline.

Agenda 3: Promoting Ideas / Start-ups of students and faculty for submission in University Business Incubation Centre

Resolution: Dr. R. U. Sambhe, Professor (Mechanical Engineering) also member of Board of Innovation, Incubation and Linkages of Sant Gadge Baba, Amravati University, suggested to promote Start-ups of students and faculty for submission in Centre for Innovation, Incubation & Linkages C-BRIDGE (Center for Business, Research, Incubation, Development, Growth and Entrepreneurship), SGBAU Research & Incubation Foundation, Sant Gadge Baba Amravati University for approval and incubation support.

Agenda 4: Faculty training on new ICT tools and its utilization for obtaining teaching learning process more effective in today's Covid situation.

Resolution: Dr. S. V. Bhalerao, IQAC Coordinator, suggested to utilize maximum potential of technology to reach every learner as it is a proactive approach in the education sector. Faculty should participate in various in-service training programs and workshops which are essential for their professional development. He also suggested to train faculty on apps like Microsoft Team etc. for online education and to prepare e-contents and videos, so that recorded videos can be shared with students to enrich their knowledge.

Agenda 2: Continuation of organizing online workshops in collaboration with Department of Life learning and extension, SGBA University Amravati in this pandemic situation

Resolution:

Dr. G. S. Kakad, Head (Textile Engineering), suggested to continue the activity of organizing online workshops on recent trends in engineering by various departments in collaboration with Department of Lifelong Learning and Extension, Sant Gadge Baba Amravati University in this pandemic situation. Latest topics and emerging trends should be included in these workshops. Online workshops provide a chance to interact with experts from the specific field and discussing about the relevant topics of the particular subject, students tend to learn about the latest information and new skills related to the concerned subject.

Agenda 3: To apply innovative projects / ideas of students and faculty for Patents/ awards /prizes / grant in National level Startup Expo's/ conferences/ competitions.

Resolution:

Dr. R. S. Tatwawadi, Principal of JDIET, focus on innovative projects developed by third and final year students as well as faculty and their research to apply for patents/ awards / prizes / grants in forthcoming Expo's/ conferences/ competitions to motivate them and their professional growth.

Agenda 4: Nurturing of selected ideas / start-up of students and faculty at Business Incubation Centre and utilization of fund within time span

Resolution:

We have total 32 startups submitted to MSME portal and Challenge 2020 contest organized by Ministry of MSME, New Delhi. Out of our one startup of Dr. S. V. Bhalerao, is selected by Ministry of MSME for grant-in-aid of Rs. 14 Lacs. Dr. R. U. Sambhe, Professor (Mechanical Engineering) Incharge (Business Incubation), focus on nurturing of selected ideas & utilization of fund within the time span. He is also suggested to submit remaining idea in different funding agency for grant-in-aid and incubation activities.

Agenda 3: Start-up's applications for Grant-in-aid under Ministry of MSME

Resolution: Dr. R. U. Sambhe, Professor & Head (Mechanical Engg.), suggested that the Ministry of MSME has been pioneering various schemes and programmes providing incubation support. For instance, the scheme 'Support for Entrepreneurial and Managerial Development of MSMEs' through incubators aims to aid the untapped creativity of an individual and promote the adoption of latest technologies in manufacturing as well as knowledge-based innovative ventures. Financial assistance is provided up to a maximum of Rs. 15 lakh per incubator through Ministry of MSME. Our Institute should focus on entrepreneurial development and promotion to set up Incubators to galvanize the startup ecosystems in the campus. So it is appeal to all faculty and students to apply for Grant in aid at our incubation centre from Ministry of MSME.

Agenda 4: Involving students and faculty in Startup-expo

In line with the vision of the Hon'ble Prime Minister, Shri Narendra Modi, Entrepreneurs are the base of social change that India aspires for and their efforts will lay the foundation for a New India, fill in the gaps in solutions required by the people and help build the base for constructing the economic structure of a powerful India. Dr. S. V. Bhalerao suggested creating awareness among students/ staff to involve in Business Model/ Startup- Competitions at University level/ State / Central level. So students/staff will get exposure and upgrade them with recent trends and new technologies.
